

RULE OF THE MONTH with Tom & Chip

www.TOMandCHIP.com

SITUATION: Chip finds his ball in the semi-rough but what he sees scares him half to death ...

QUESTION: Is Chip allowed to remove the hose? And what happens if the ball moves as a result?

ANSWER: The hose is artificial and therefore a "movable obstruction." Chip's allowed to move it away. If his ball moves in the process, he must put the ball back without penalty. Rule 15.2a(1) and definition "Movable Obstruction."
